Dear Mr. Post:

Thank you for your letter of 18 July 1960 in which you re-open your proposal, made in your previous letters of 1 and 3 June, to republish my book, Germany's Underground, in a paper-back edition.

I have considered again the several factors that would be involved in such a venture, including those that are inherent in the particular position I hold in the Government, and I must decline your interesting offer.

Thank you again for your kind comments about the book.

Sincerely,

SIGNED
